

PRESS RELEASE – January 2012

Zela Aviation Expands in to the Regional Aircraft Leasing Market

Zela Aviation Ltd has engaged the services of Mr. David Robinson to develop and expand the company's portfolio in the leasing arena (both wet & dry) in the regional aircraft market covering both turbo prop and jet equipment.

From the 1st January Mr. David Robinson will be working alongside the existing team at Zela Aviation in expanding the company's activities.

The company welcomes the addition of Mr. Robinson, who brings a wealth of experience in the leasing and broking business.

For all enquiries with regards to all aspects of aircraft leasing please contact acmi@zelaaviation.com and david@zelaaviation.com

Zela Aviation is an Air Charter Broker company providing full aircraft charters to the major tourist destinations of Bulgaria, Egypt, Greece, Cyprus, Italy, Spain, Tunisia and Turkey. In addition to these destinations we are able to contract aircraft of all sizes and types across the world to meet the requirements of our customers for both ad-hoc and full series charters.

Zela Aviation offers its service to Airlines and Tour Operators and also offers Private Jet Chartering. These are our three key areas of business. We provide to the Airlines ACMI/Wet Lease, Dry lease and project consultancy and to European Tour Operators solutions for IT Charters. We also offer Business Aviation/Private Jet Chartering.

Zela works with a large range of carriers globally always in touch with their developments to be in a position to give our clients the best service. We can provide aircraft anywhere in the world to meet our clients short, medium and long term requirements.

Through our established airline partners throughout Europe, Africa, Middle East and North & South America we are able to source aircraft ranging in size from 477 seats to 50 seats at competitive rates. Our aim is to work closely with our customers and partners to tailor make a solution that best meets their needs in terms of performance, product and value.

Zela Aviation has become, within the last five years, one of the major ACMI providers working successfully with a number of major carriers on a variety of worldwide projects.
